Civil Action File No.:

**COMPLAINT
WITH JURY TRIAL DEMAND**

PRELIMINARY STATEMENT

This action for damages is based on Equifax's false reporting on Plaintiff's credit file and/or consumer reports, failures to follow reasonable procedures to assure maximum possible accuracy of the information concerning Plaintiff, and failures to conduct reasonable reinvestigations with respect to such information.

PARTIES

1. Plaintiff, Julie Cobb Bergeman, is a natural person who resides in Whitfield County, Georgia.

2. Plaintiff is an individual and is, therefore, a "consumer" as that term is defined by 15 U.S.C. § 1681a(c).

3. Defendant, Equifax Information Services, LLC (hereinafter “Equifax”), is a limited liability corporation formed under the laws of the State of Georgia. Equifax may be served with process via its registered agent, Shawn Baldwin, at 1550 Peachtree Street NE, Suite H46, Atlanta, Georgia 30309-2402.

4. Equifax regularly assembles and/or evaluates consumer credit information for the purpose of furnishing consumer reports to third parties and uses interstate commerce to prepare and/or furnish the reports. Accordingly, Equifax is a “consumer reporting agency” as that term is defined by 15 U.S.C. § 1681a(f).

JURISDICTION AND VENUE

5. This Court has federal question jurisdiction over Plaintiff’s Fair Credit Reporting Act (“FCRA”), 15 U.S.C. § 1681, *et seq.*, claims, pursuant to 15 U.S.C. § 1681p and 28 U.S.C. § 1331.

6. This Court has personal jurisdiction over Equifax, pursuant to O.C.G.A. § 9-10-91(1), because, *inter alia*, Equifax frequently and routinely conducts business in the State of Georgia, including the conduct complained of herein.

7. Pursuant to 28 U.S.C. § 1391, venue is proper in the Northern District of Georgia because a substantial part of the events or omissions giving rise to the claims

occurred in this district. Pursuant to LR 3.1B(3), NDGa, venue is proper in the Atlanta Division because Equifax maintains an agent for service of process within the Atlanta Division.

Factual Allegations Derived from Plaintiff's Mortgage

8. On or about January 11, 2006, Plaintiff obtained a loan from Nationpoint, a division of National City Bank of Indiana (hereinafter “Nationpoint”) for the original principal amount of \$80,000.00 (the “Mortgage”).

9. The Mortgage is collateralized by residential real property located at 132 West School Street, Tunnel Hill, Georgia 30755-9116, as evidenced by the Security Deed recorded at Deed Book 4675, Page 273, in the Superior Court of Whitfield County.

10. On or about November 22, 2011, the Mortgage was transferred from Nationpoint to Select Portfolio Servicing, Inc. (hereinafter “SPS”), as evidenced by the Assignment recorded at Deed Book 5668, Page 258, in the Superior Court of Whitfield County.

Factual Allegations Derived from Plaintiff's Bankruptcy Case

11. On December 6, 2011, Plaintiff filed a Chapter 13 Voluntary Bankruptcy Petition in the United States Bankruptcy Court for the Northern District of Georgia, Rome Division, Case Number 11-44098 (the "Bankruptcy Case").

12. In Schedule D of her Bankruptcy Petition, Plaintiff listed SPS as having a secured claim for the Mortgage in the amount of \$74,172.00.

13. On February 15, 2012, SPS filed a Proof of Claim in Plaintiff's Bankruptcy Case, claim number 10, representing it was owed \$78,176.62, inclusive of \$4,503.36 in arrearages.

14. On February 20, 2012, Plaintiff filed her Chapter 13 Plan in accordance with 11 U.S.C. § 1322(b)(5), providing for the cure of any then-deficiency and the direct payment of all future Mortgage payments by Plaintiff to SPS.

15. On March 29, 2012, Plaintiff's Plan was confirmed and became *res judicata* as to Plaintiff and SPS.

16. SPS was served with a copy of the Confirmation Order on March 31, 2012, by the Bankruptcy Noticing Center.

17. On April 13, 2017, the Bankruptcy Court issued an Order of Discharge in favor of Plaintiff. The Bankruptcy Court order specifically excluded from discharge, however, any debt provided for under 11 U.S.C. § 1322(b)(5), such as Plaintiff's Mortgage. The applicable language of the Order is set forth below:

Most debts are discharged

Most debts are covered by the discharge, but not all. Generally, a discharge removes the debtors' personal liability for debts provided for by the chapter 13 plan.

In a case involving community property: Special rules protect certain community property owned by the debtor's spouse, even if that spouse did not file a bankruptcy case.

Some debts are not discharged

Examples of debts that are not discharged are:

- ♦ debts provided for under 11 U.S.C. § 1322(b)(5) and on which the last payment or other transfer is due after the date on which the final payment under the plan was due;

18. The Mortgage owed to SPS has not been discharged and is not subject to discharge under 11 U.S.C. § 1328(a)(1). See, *In re Duke*, 447 B.R. 365 (Bankr. M.D. Ga. 2011).

19. As recently as March 17, 2017, SPS advised the Bankruptcy Court and Plaintiff that Plaintiff's Mortgage was being serviced by SPS and that Plaintiff's obligation is ongoing.

20. Accordingly, Plaintiff has continued to make, and SPS has continued to service and accept, Plaintiff's Mortgage payments post-discharge.

Factual Allegations Pertinent to CDIA and Metro 2 Reporting Standards

21. The reporting of consumer credit information by credit reporting agencies ("CRAs") and data furnishers is the foundation of credit risk scoring and impacts the financial lives of consumers in innumerable ways, including the availability and cost of credit, housing opportunities, leasing prospects, insurance availability and cost, utility service, and even employment. Between two and three million consumer reports are issued by credit bureaus each day. See, <http://www.cdiaonline.org/about.cfm>.

22. The Consumer Data Industry Association ("CDIA") is an international trade association, representing over 140 members involved in credit reporting, mortgage reporting, check verification, tenant and employment screening, collection services, and fraud verification services, and the CDIA is active in both federal and state legislative affairs, public relations, education, and the promulgation of industry standards.

23. Because consumer credit reporting information is such sensitive data that has far reaching implications for most, if not all, consumers, the CDIA works together with CRAs to develop, maintain and enhance industry-standard reporting formats and guidelines.

24. To further assist CRAs and data furnishers with performing their due diligence and reporting accurate, complete, and timely data, in satisfaction of the FCRA's legal requirements, the CDIA offers extensive training, education, and support to CRAs and data furnishers.

25. The CDIA's extensive training and support offerings include FCRA certification programs for both CRAs and data furnishers to assist each in maintaining compliance with FCRA regulations.

26. Because standardized methods are of paramount importance to the accurate, complete and timely reporting of consumer credit data, the CDIA can and will revoke FCRA certification for failure to adhere to the standards set by the CDIA.

27. In cooperation with the major CRAs, CDIA publishes the Metro 2 ("Metro 2") reporting standards to assist furnishers with their compliance requirements under the FCRA. CDIA's reporting products are used in more than

nine billion transactions each year.

See, <http://www.cdiaonline.org/about/index.cfm?unItemNumber=515>

28. The Metro 2 Format Task Force is comprised of representatives from Equifax, Experian, Innovis, and TransUnion, and is supported by the CDIA. Metro 2 Format Task Force's mission is to provide a standardized method for the reporting of accurate, complete, and timely data, and has developed the Metro 2 standards. *Id.*

29. The Metro 2 standards provide uniformity in the reporting and interpretation of credit data, including credit risk scoring.

30. It is axiomatic that in the world of consumer credit information reporting, as long as a consumer credit account is open, every month some piece of information regarding that account/consumer is going to change. For example, interest continues to accrue, payments are made, etc.

31. 15 U.S.C. § 1681e(b) requires consumer reporting agencies to follow reasonable procedures to assure maximum possible accuracy of information concerning the individual about whom a report relates. Further, 15 U.S.C. § 1681s-2(a)(2) requires furnishers of information to regularly correct and update the

information they previously provided to consumer reporting agencies to make sure the information is complete and accurate.

32. Accordingly, and in furtherance of its mission, the Metro 2 Format Task Force has developed an industry standard for reporting consumer accounts that “will ensure the integrity and consistency of the credit information being reported.” As part of that industry standard the Metro 2 Format Task Force has declared, “All accounts must be reported on a monthly basis.” (Emphasis added.) *Id.*

33. Because consumer credit information changes monthly, failure to update that information on a monthly basis, yet still publishing reports containing the previously reported information without updates, means that the information being reported is almost certainly incomplete and inaccurate.

34. The Fair Isaac Corporation credit risk scoring system, commonly referred to as FICO, is the leading credit scoring system, and utilizes data reported by credit reporting agencies and furnishers which are, ostensibly, in compliance with Metro 2 standards.

35. The failure to adhere to CDIA guidelines and the Metro 2 reporting standards can adversely affect a consumer’s FICO score.

36. At all times relevant hereto, Equifax has required all entities to whom it grants consumer information reporting rights and access to adhere to the Metro 2 reporting guidelines as a condition of such ability and access.

37. Equifax has actual knowledge that entities that perform credit risk scoring, and other functions utilizing the data reported by Equifax, assume Equifax's compliance with Metro 2 standards in reporting consumer information.

38. The failure on the part of a CRA and/or a furnisher to adhere to the accepted Metro 2 standards increases the probability of a reported item being false or materially misleading to users of consumer reports, as those users assume that the information in the consumer reports is being reported in compliance with Metro 2 standards, and thus interpret that information accordingly.

39. As a result, failure to adhere accepted Metro 2 standards in reporting information in consumer reports adversely affects consumers, as it causes inconsistent, misleading, and/or incorrect interpretation of information regarding consumers.

40. The failure on the part of a CRA and/or a furnisher to adhere to the accepted Metro 2 standards can itself support a finding of willful violation as

described by 15 U.S.C. § 1681n when that failure results in a report that is false, incomplete, and misleading.

41. Further, the failure to adhere to the Metro 2 format, and/or the failure to follow the guidance of regulatory and industry sources, such as the CDIA, is evidence of willfulness of an FCRA violation under 15 U.S.C. § 1681n(a). See, *Gillespie v. Equifax Info. Servs., LLC*, No. 05C138, 2008 WL 4316950, at *8 (N.D. Ill. Sept. 15, 2008).

42. As an integral aspect of its duties under the FCRA, Equifax is required to have in place adequate and reasonable policies and procedures to assure the maximum possible accuracy of information concerning individuals about whom Equifax produces reports; the requirement to maintain reasonable procedures extends to Equifax's handling and reinvestigation of disputed information. At all times relevant hereto, Equifax adopted and implemented the CDIA guidelines and Metro 2 format as a means of fulfilling its aforementioned duties under the FCRA.

43. Equifax, in conjunction with the other major credit reporting agencies, developed a browser-based software system that allows credit reporting agencies to electronically notify furnishers of disputed credit reporting and for furnishers to

respond to such disputes following investigation. The system is commonly referred to as e-OSCAR and was designed to be Metro 2 compliant. See, <http://www.e-oscar.org/>

44. In order for information in consumer files and on consumer reports to be reported consistently and correctly, and with maximum possible accuracy, users of the e-Oscar system must comply with accepted Metro 2 standards. Otherwise, the information contained in the resulting consumer reports is not consistent or uniform and is subject to gross misinterpretation by users of consumer reports.

Factual Allegations Derived from Reporting to and by Equifax

45. On or about June 1, 2017, Plaintiff obtained a copy of her consumer report as published by Equifax.

46. That report contained erroneous information as published and reported by Equifax.

47. Specifically, the report shows the Mortgage as having a \$0.00 balance and a last payment date of September 1, 2011.

48. The relevant portion of the SPS tradeline appeared in the June 1, 2017, Equifax report as follows:

High Credit		Owner	JOINT_CONTRACTUAL_LIABILITY
Credit Limit		Account Type	MORTGAGE
Terms Frequency	UNKNOWN	Term Duration	0

(Remaining portion of tradeline omitted.)

49. Because the balance of the Mortgage owing to SPS is not \$0.00, and because Plaintiff's Mortgage owing to SPS was not discharged in bankruptcy, and because Plaintiff continues to make payments to SPS, the information described above was both false and misleading.

50. Further, the specific reporting described above was in derogation of accepted industry standards for reporting the account as set forth by the CDIA and

Metro 2 and as adopted by Equifax. See e.g., 2015 CDIA Credit Reporting Resource Guide (“2015 Metro 2”).

51. In a letter dated September 13, 2017, Plaintiff disputed the inaccurate and misleading information directly to Equifax and advised Equifax that the Mortgage was included in her Bankruptcy Case but was not discharged and is reporting incorrectly as to the current status, payment history, and balance. The relevant portion of Plaintiff’s dispute is reproduced below:

The account for The Loan Servicing Center, P.O. Box 551170, Jacksonville, Florida 32255-1170, account number XXXXXXXXXX1929, is reporting incorrectly as to the current status, payment history and balance. The account was included in my bankruptcy case filed on December 6, 2011, case number 11-44098. But the account was not discharged with the case on April 13, 2017. The balance is not \$0 and I continue to make payments per the terms of the account. It is a long-term debt, as the account indicates, and falls under § 1322(b)(5) of the bankruptcy code. I have included my confirmed plan listing this account in the mortgages section and a copy of the Bankruptcy Court Discharge Order, highlighted, so that so that you can verify its exception from Discharge. Please forward these documents to the furnisher, confirm my balance and payments and correct this report.

52. In support of Plaintiff’s dispute and to assist Equifax’s investigations, Plaintiff included with her dispute the following documents: a copy of Plaintiff’s Confirmed Chapter 13 Plan, showing the Mortgage as long-term debt and thus exempt from discharge under 11 U.S.C. § 1328(a)(1); a copy of the discharge order

exempting debts such as that held by SPS from discharge; and a recent payoff statement showing the continuation of Plaintiff's obligation.

53. Pursuant to 15 U.S.C. § 1681i, Equifax had a duty to notify SPS of Plaintiff's dispute within five business days of receiving the dispute, to forward the attached documents for SPS's review, to conduct a reasonable reinvestigation of the disputed information, and to correct the tradeline or delete it from Plaintiff's consumer file.

54. Upon information and belief, Equifax timely notified SPS of Plaintiff's dispute, via e-OSCAR or otherwise, and provided the supporting documents, as required by 15 U.S.C. § 1681i.

55. Alternatively, Equifax failed to notify SPS of Plaintiff's dispute and to provide the supporting documents, as required by 15 U.S.C. § 1681i.

56. In a document dated September 23, 2017, Equifax advised Plaintiff that it had researched the dispute, and provided a "revised report" that reflected its findings. Equifax provided a copy of the tradeline as reported "post-investigation", which reproduced the errors identified by Plaintiff in her original dispute letter.

57. Specifically, the SPS tradeline appeared in the revised September 23, 2017, Equifax report as follows:

>>> *We have researched the credit account. Account # - 277001244* The results are:* This account is currently reporting included in bankruptcy. 58. Equifax's post-investigation reporting is false and misleading.

59. Equifax's post-investigation reporting is in derogation of the Metro 2 reporting standards, and that departure and failure to adhere to the adopted guidelines renders the reporting both false and materially misleading, as users of consumer reports assume Equifax's compliance with Metro 2 standards in reporting consumer information.

60. There is no indication in the tradeline of the "verified" report that Plaintiff has disputed the information reported and published by Equifax. The failure to note the legitimate dispute by Plaintiff of the relevant tradeline renders the reporting materially misleading.

Damages

61. Equifax's reporting breached its duties as described herein.

62. Equifax had actual notice that the information it was reporting regarding Plaintiff and the Mortgage was false, deceptive, and misleading.

63. Equifax failed to correct its false, deceptive, and misleading reporting as described herein.

64. Equifax continued to report the false, deceptive, and misleading information regarding Plaintiff and the Mortgage.

65. Accordingly, Equifax's conduct was willful.

66. Upon information and belief, Equifax has published the false and misleading information regarding Plaintiff to third parties.

67. As a result of Equifax's willful actions and omissions, Plaintiff is eligible for statutory damages.

68. Additionally, as a result of Equifax's actions and omissions, Plaintiff has suffered actual damages, including out-of-pocket expenses in challenging Equifax's wrongful representations regarding the Mortgage.

69. Realizing that Equifax has, in effect, deprived Plaintiff of years of positive credit reporting on the most important account Plaintiff has, and that Equifax continues to do so as a result of their respective failures to comply with the

statutory requirements of 15 U.S.C. § 1681 et seq., Plaintiff has experienced severe worry, frustration and anxiety that interfere with her activities of daily living and adversely affect her interpersonal relationships.

70. As a result of Equifax's actions and omissions, Plaintiff's actual damages also include the illegitimate suppression of her Fair Isaac Corporation ("FICO") credit score and other credit rating modeling scores.

71. Equifax's failures to correct and clear the inaccuracies in Plaintiff's report creates a material risk of financial harm to Plaintiff stemming from the decreased perception of Plaintiff's credit-worthiness.

CAUSES OF ACTION

COUNT I

VIOLATIONS OF THE FAIR CREDIT REPORTING ACT 15 U.S.C. §§ 1681e(b) and 1681i – Equifax Information Services, LLC

72. Plaintiff incorporates by reference all preceding paragraphs as though fully stated herein.

73. Pursuant to 15 U.S.C. § 1681e(b), Equifax is responsible for following reasonable procedures to assure maximum possible accuracy of information whenever it prepares consumer reports.

74. Equifax's duty under 15 U.S.C. § 1681e(b) extends to reinvestigation reports and consumer disclosures.

75. Pursuant to 15 U.S.C. § 1681i(a)(1)(A), Equifax had an affirmative duty to independently investigate the dispute submitted by Plaintiff.

76. Pursuant to 15 U.S.C. § 1681i(a)(2), Equifax was required to communicate the specifics of Plaintiff's dispute to SPS, including the forwarding of any documents provided by Plaintiff in support of that dispute.

77. A consumer reporting agency's reasonable reinvestigation must be a good faith effort to ascertain the truth; a reasonable reinvestigation must answer the substance of the consumer's dispute, and may not merely be a *pro forma* record review that simply begs the question.

78. In order to conduct a reasonable reinvestigation, and pursuant to 15 U.S.C. § 1681i(a)(4), Equifax was required to review and consider all relevant information submitted by Plaintiff.

79. Plaintiff's dispute was clear and unambiguous as to the inaccuracies of Equifax's reporting.

80. Plaintiff provided all the relevant information necessary for Equifax to reinvestigate and correct the inaccuracies in its reporting.

81. Equifax breached its duties as described herein.

82. If Equifax had conducted a reasonable reinvestigation of Plaintiff's dispute, Equifax would have reviewed and considered all of the information Plaintiff submitted in her dispute letter and would have easily detected that what was being reported was factually incorrect, inaccurate, and misleading.

83. If Equifax had conducted a reasonable reinvestigation of Plaintiff's dispute, the tradeline on Plaintiff's Equifax consumer report would have been appropriately corrected.

84. Due to Equifax's failures to follow reasonable procedures to assure maximum possible accuracy of information and failures to conduct a reasonable reinvestigation of Plaintiff's dispute, the false and misleading information in Plaintiff's credit file and on Plaintiff's Equifax report was not appropriately modified.

85. Equifax had all the information necessary to correct its reporting. Yet, Equifax failed to correct the information in the face of clear evidence that its reporting

was false and misleading. The failure indicates that Equifax's review procedures were not reasonable.

86. The fact that Equifax had all the information necessary to correct its reporting, yet failed to do so in an appropriate manner, further indicates that Equifax recklessly disregarded Plaintiff's dispute and the requirements of the FCRA, amounting to a willful violation of the statute.

87. Equifax willfully, or in the alternative negligently, violated 15 U.S.C. § 1681e(b) by failing to follow reasonable procedures to assure the maximum possible accuracy of information concerning Plaintiff in her consumer reports, in reckless disregard of the statutory requirements, Plaintiff's dispute, and the publicly recorded Bankruptcy Case filings.

88. Equifax willfully, or in the alternative negligently, violated 15 U.S.C. § 1681i in multiple ways, including without limitation, by failing to conduct a reasonable reinvestigation of Plaintiff's dispute, and by failing thereafter to appropriately modify information in her file and on her consumer report in reckless disregard of the statutory requirements, Plaintiff's dispute, and the publicly recorded Bankruptcy Case filings.

89. As a result of Equifax's violations of 15 U.S.C. §§ 1681e(b) and 1681i, Plaintiff has suffered actual damages as described herein. Plaintiff is, therefore, entitled to recover actual damages from Equifax pursuant to 15 U.S.C. §§ 1681n and 1681o.

90. Equifax's actions and omissions were willful, rendering Equifax liable to Plaintiff for punitive damages and/or statutory damages pursuant to 15 U.S.C. § 1681n.

91. Plaintiff is entitled to recover costs and attorneys' fees from Equifax pursuant to 15 U.S.C. §§ 1681n and 1681o.

TRIAL BY JURY

Plaintiff is entitled to and hereby requests a trial by jury.

WHEREFORE, Plaintiff prays that judgment be entered in her favor and against Equifax for:

- a.) Plaintiff's actual damages;
- b.) Punitive and/or statutory damages, pursuant to 15 U.S.C. § 1681n;
- c.) Reasonable attorney's fees and costs, pursuant to 15 U.S.C. §§ 1681n and/or 1681o; and
- d.) Such other and further relief as may be just and proper.

Respectfully submitted this 16th day of October, 2017.
